

# The Great Moor Pool Chick Rescue

Last year, the crochet chicks hatched... but this year they've wandered off exploring Moor Pool! Can you help Mama Hen find the cheeky chicks and guide them back to the nest in time for Easter?

Each of the chicks has their own name and personality, and will help you discover the hidden word. Write the underlined letters on the chicks' tummies when you find them and then unscramble them. To make the trail a bit trickier this year, there is a ninth golden chick hidden in a mystery location. You can also complete mini challenges at each stop!

**Have fun, chick rescuers!**

**Hidden word:** \_\_\_\_\_

Clue: what Mama Hen will be filled with when you find all of her chicks!

Once you've finished your trail, write your name on the certificate over the page and display it with pride at home.

We'd love to see your trail photos so don't forget to tag us on Facebook and Instagram (@moorpoolht)

That doesn't have to be the end of the fun! Why not explore some of the green spaces around Moor Pool and look out for signs of spring. What flowers can you spot and which birds can you hear?
